# PERIODICALS

## Needed to Complete the Files of the Army Medical Library

Since this Library has been unable to secure the following missing numbers of journals through ordinary channels they are listed here in the hope that other libraries or individuals may have extra copies which they will donate or offer in exchange for duplicates of any other journals from this library.

Please notify the Acquisition Division of the Army Medical Library, Washington, D. C., of any numbers which may be available and franked labels for their transportation will be forwarded promptly.

Light to the Blind. Mysore, India.  
v.1-11 #3, 1917-1927

Madras. Civil Hospitals and Dispensaries. Annual Report.  
All before 1885, 1886-1891  
1910, 1915, 1925, 1928, 1931, 1932, 1937  
1940

Madras. Director of Public Health and Administrator of Vaccination. Report.  
All before 1886  
1940, 1943

Madras. Government General Hospital. Annual Reports & Statistics.  
All before 1921 1939

Madras. Government Ophthalmic Hospital. Annual Report & Statistics.  
All before 1924 1937

Madras. Workers of the Mental Hospitals. Annual Report.  
All before 1892  
1901-1905, 1908, 1911, 1920  
1939, 1942

## 2. Anthropology; Ethnology

Man, Lond., 1945, 45: (May-June)

- HORNBLLOWER, G. D. The establishing of Osi-  
ris. 59-63.  
GRIFFITHS, J. G. The study of folkli; its  
name, scope, and method. 63-6.

## 4. Aviation Medicine

Air Surgeon's Bull., 1945, 2: (Jul.)

- LEE, D. H. K. Tropic climates and the sol-  
dier. 210-2.  
GERBER, S. T., DUSHANE, J. E., & WINGETT, W.  
T. Penicillin suppression of early syph-  
ilis. 213.  
MONSKRUD, N. O. Medical considerations of  
women air force service pilots. 214-6.  
DOHERTY, C. C. A study of the effect of  
flying on the menstrual function. 216.  
MODIFICATION of poltrizerization apparatus.  
217.  
SYRINGE holder for intravenous anesthesia.  
217.  
MEDICAL department training. 218.  
LAIRD, G. J. Cryotherapy in surgery of the  
extremities. 220.  
EATON, L. T., & MCBRIDE, M. L. A portable  
remedial exercise gym for bed patients.  
221.

## 5. Bacteriology; Parasitology

J. Econ. Entom., 1945, 38: (Apr.)

- OSBORN, M. R. DDT to control the little  
fire ant. 167.  
GRISKO, G. G., JODKA, J. F. T., & RAWLINS,  
W. A. DDT to control potato insects.  
169-73.  
SMITH, F. P., & GOODHUE, L. D. DDT aero-  
sols to control onion thrips and other  
pests in greenhouses. 173-9.  
GOOD, L. D., SMITH, F. P., & DITMAN, L. P.  
DDT in aerosol form to control insects on  
vegetables. 179-82.  
DITMAN, L. P., SMITH, F. P. /et al./ DDT  
aerosols for pea aphid control. 183-8.  
SMITH, F. P., DITMAN, L. P., & GOODHUE, L.  
D. Experiments with aerosols against some  
pests of truck crops. 189-96.  
POOS, F. W. DDT to control corn flea beetle  
on sweet corn and potato leafhopper on al-  
falfa and peanuts. 197-9.  
LANGFORD, G. S., MUMA, M. H., & CORY, E. W.  
DDT as an automatic killing agent in Jap-  
anese beetle traps. 199-201.  
LANGFORD, G. S., & CORY, E. W. DDT to control Japanese  
beetles on fruit. 202-4.  
KNIPPLING, E. F. DDT insecticides developed  
for use by the armed forces. 206-7.  
JONES, H. A., FLUHO, H. T., & HENDRICK, A.  
B. DDT insecticidal preparations. 207-10.  
BUSHLAND, R. C., MACALISTER, L. C., JR. /et  
al./ DDT powder for the control of lice  
attacking man. 210-7.  
JONES, H. A., MACALISTER, L. C., JR. /et al./  
DDT impregnation of underwear for control  
of body lice. 217-23.

- GAHAN, J. B., & LINDQUIST, A. W. DDT residu-  
al sprays applied in buildings to control  
Anopheles quadrimaculatus. 223-30.  
TRAVIS, B. V. /et al./ DDT as a re-  
sidual-type treatment to control Anopheles  
quadrimaculatus; practical tests. 231-5.  
GAHAN, J. B., & LINDQUIST, A. W. DDT as a  
residual-type spray to control disease-  
carrying mosquitoes; laboratory tests.  
236-40.  
DEONIER, C. C., MAPLE, J. D. /et al./ DDT  
as an anopheline larvicide; laboratory  
tests. 241-3.  
BURRELL, R. W. /et al./ DDT as an  
anopheline larvicide; preliminary field  
studies. 244-9.  
WISECUP, C. B., & DEONIER, C. C. DDT for  
the control of Psorophora mosquitoes. 250-  
2.  
MADDEN, A. H., LINDQUIST, A. W., & KNIPLING,  
E. F. DDT treatment of airplanes to pre-  
vent introduction of noxious insects.  
252-4.  
LINDQUIST, A. W., TRAVIS, B. V. /et al./  
DDT and pyrethrum aerosols to control mos-  
quitoes and houseflies under semi-prac-  
tical conditions. 255-7.  
MADDEN, A. H. /et al./ DDT as a re-  
sidual-type treatment for control of house-  
flies. 257-61.  
WILSON, W. G. /et al./ Effect of tem-  
peratures on knockdown and kill of house-  
flies exposed to DDT. 261-4.  
MADDEN, A. H., LINDQUIST, A. W., & KNIPLING,  
E. F. DDT and other insecticides as residu-  
al-type treatments to kill bedbugs. 265-  
71.  
GRAHAM, C. DDT sprays to control codling  
moth in Maryland. 272.  
WHEELER, E. H. DDT to control Glossonotus  
crataegi. 274.  
GINSBURG, J. M. Toxicity of DDT to fish.  
274.  
IVY, E. E., & EWING, K. P. DDT to control  
the cotton leafworm. 276.  
THOMPSON, B. G. DDT to control Psallus en-  
corifer in onions. 277.  
SCHROEDER, H. O., MADDEN, A. H. /et al./  
Residual action of DDT aerosols against  
houseflies. 277.  
COX, J. A. DDT for the control of grape  
leafhoppers. 278.  
HARMAN, S. W. DDT in the codling moth pro-  
gram for western New York. 280.  
WHEELER, E. H. DDT and Ryanex to control  
oriental fruit moth on quince. 281.  
HAMBLETON, E. J. Experiments with DDT on  
leaf-cutting ants in Ecuador. 282.  
LUGENBILL, F., & BENTON, C. DDT to control  
the chinich bug. 283.  
MORRISON, H. E., MOTE, D. C., & RASMUSSEN,  
W. B. DDT to control the carrot rust fly.  
283.  
USE of DDT for mosquito control in the Uni-  
ted States. 284.

Zschr. Parasitenk., 1945-44, 13:  
(Aug. 1943)

- ZUMPT, F. Vorstudie zu einer Revision der  
Gattung Rhipicephalus Koch; Rhipicephalus  
simus Koch und verwandte Arten. 1-24.  
SZIDAT, L. Die Fischermotoden der Gattung  
Asymphylogora Looss 1899 und Verwandte.  
25-61.  
ULRICH, W. Die Mengeiden (Mengenillini) und  
die Phylogenie der Strepsipteren. 62-101.  
ZUMPT, F. Vorstudie zu einer Revision der  
Gattung Rhipicephalus Koch; Rhipicephalus  
aurantiacus Neumann und ähnlich Arten.  
102-17.

HOHORST, W. Die Zecke *Dermacentor marginatus* Sulzer 1776, ihre Verbreitung, Lebensweise und medizinische Bedeutung. 118-46.

Zschr. Parasitenk., 1943-44, 13:  
(Apr. 1944)

- HASE, A. Weitere Beiträge zur Kenntnis der Kleiderlaus, insbesondere über Kotschnurenbildung. 150-5.  
MATOFF, K. Ueber die Möglichkeit der Entwicklung von *Trichinella spiralis* bei Kaltblütern. 156-76.  
PAVLOV, P. Untersuchungen über einen Ornithodoros (alveonatus) vom Schaf aus Mazedonien. 177-82.  
SEIDAT, L. Weitere Untersuchungen über die Trematodenfauna einheimischer Süßwasserfische; die Gattung *Sphaerostomum* (Stiles und Hassall 1898) Looss 1899 und Verwandte. 183-214.

Zschr. Parasitenk., 1943-44, 13:  
(Dec. 1944)

- HASE, A. Ueber die Stiche blutsaugender Ektoparasiten; Tatsachen, Probleme und Arbeitsprogramm. 215-47.  
SELLINICK, M. Eine neue parasitische Milbe von *Epimys norvegicus* Exrl. 248-53.  
DASKALOW, P. Beitrag zur Erforschung der Rinderparafilariose. 254-64.  
SEIDAT, L. Ueber die Erhaltungsfähigkeit von Helminthensiern in vorung Fröngeschichtlichen Moorleichen. 265-74.

## 6. Biology; Embryology

Arch. Soc. Biol. Montevideo, 1944-45, 12:  
(June-Dec.)

- HERRERA RAMOS, F. Mecanismo de la actividad de los tiocianatos y su intervencion en la transmision fisiologica de la excitacion vagal. 1-44.  
, & MILIES, E. Estudio experimental de la influencia del tiocianato de sodio sobre la accion de la acetilcolina en el corazon de sapo en perfusion. 45-57.  
, & RECARTE, P. Estudio experimental de la influencia del tiocianato de sodio sobre la estimulacion por pilocarpina del intestino y el tuero de cobayo. 58-66.  
, & CASTILLO DE BONNEVAUX, E. Estudio experimental de la influencia del tiocianato de sodio sobre la respuesta cardiaca a la excitacion del vago, en el corazon in situ de rana. 66-8.  
, & GIAMBRUNO, C. Estudio experimental de la influencia del tiocianato de sodio sobre la respuesta cardiovascular del perro a la acetilcolina. 69-74.  
BUNO, W. Sobre osificacion de la falange ungual y consideraciones sobre la osificacion llamada metaplastica. 75-88.  
SOTELO, J. R. Inervacion del duodeno y ampolla de Vater. 89-122.  
FERREIRA BERRUTTI, P. La intervencion del hígado y de las vias biliares intrahepaticas. 123; passim.  
ALBERTUX, A. S., & ROCA, F. Actividad tiroidea de tiroproteinas sinteticas. 139-44.  
FIANDRA, O., & MENDOZA, D. Sobre la localizacion de las larvas de triquina en el tejido muscular. 145-50.

## 7. Bone; Joint; Extremities; Muscle

J. Bone Surg., 1945, 27: (Jul.)

- SPEED, J. S., & KNIGHT, R. A. The treatment of malunited Colles's fractures. 361-7.  
KAPLAN, E. B. Surgical anatomy of the flexor tendons of the wrist. 368-72.  
EVANS, E. M. Rotational deformity in the treatment of fractures of both bones of the forearm. 373-9.  
DURMAN, D. C. An operation for paralysis of the serratus anterior. 380-2.  
MEEKISON, D. M. The treatment of non-union or delayed union of fractures by means of massive onlay grafts fixed with vitallium screws. 383-6.  
HAWKINS, F. B., MITCHELL, C. L., & HEDRICK, D. W. Correction of hallux valgus by metatarsal osteotomy. 387-94.  
FUNKSTEN, R. V., & LEE, R. W. Healing time in fractures of the shafts of the tibia and femur. 395-400.  
HOWORTH, M. B. Echinococcosis of bone. 401-11.  
DU TOIT, G. T., & ENSLIN, T. B. Analysis of one hundred consecutive arthrotomies for traumatic internal derangement of the knee joint. 412-25.  
SOTO-HALL, R. Traumatic degeneration of the articular cartilage of the patella. 426-31.  
MCGAW, W. H., & WICKESSER, E. C. Pneumarthrograms of the knee; a diagnostic aid in internal derangements. 432-45.  
MCCARROLL, H. R., & SCHWARTZMAN, J. R. Lateral dislocation of the patella; correction by simultaneous transplantation of the tibial tubercle and semitendinosus tendon. 446-52.  
CLEVELAND, M., & GROVE, J. A. Delayed primary closure of wounds with compound fractures. 452-6.  
COULSON, F. H. Experience with whole blood and plasma. 457.  
MANNING, J. G. Transportation of the wounded soldier. 459.  
JOVENTRY, M. B., GHORMLEY, R. K., & KERNOHAN, J. W. Pathological changes in the intervertebral disc. 460-74.  
ERIGGS, H., & KRAUSE, J. The intervertebral foraminotomy for relief of sciatic pain. 475-8.  
MAYER, J. H. Chronic melioidosis; a case showing multiple lesions of bones, joints, and lungs. 479-85.  
EVELETH, M. S. The use of sulfonamides in compound fractures. 486-90.  
BOSWORTH, D. M. Tuberculosis of the spine; a case report. 491-3.  
MCMASTER, P. E. Epiphysitis of the ischial tuberosity; a case report. 493-5.  
HARMON, P. H. A simplified surgical approach to the posterior tibia for bone-grafting and fibular transference. 496-8.  
CLEMENT, B. L. Fracture-dislocation of the base of the fifth metacarpal; a case report. 498.  
ROGERS, G. W. N. Chronic dislocation of the base of the metacarpal of the thumb. 500.  
KENNEDY, W. E. Compound wound of the knee joint with retention of sea shells and beach sand; a case report. 502-5.  
WACHLAS, I. W. A splint for the correction of extension contractures of the metacarpophalangeal joints. 507-12.  
BROWN, A. M. Correction of poliomyelitic deformities with frothed latex prostheses. 513-7.

CHATTERTON, C. C., & BLAISDELL, J. A modification of the Denis Browne splint. 518.  
SIMON, R. S. A third routine x-ray exposure of the ankle joint. 520.  
ROWE, M. L. An easy and economical method of making removable casts. 521.

A simple guide pin for the insertion of devices of internal fixation into the femoral neck. 522.
